A woman with blonde hair, wearing a blue and white striped top with a lace-like pattern, is in a kitchen. She is holding a knife and a small radish, preparing a salad. In the background, there are kitchen shelves with various bottles and a roll of paper towels. The overall atmosphere is warm and domestic.

**DESIGNED FOR
DAYDREAMERS,
CREATED FOR
EVERYDAY USE**

PHILOSOPHY

For us, the pleasure of living, cooking, playing laughing or simply sleeping on board means, first and foremost, the pleasure of making the most of spaces designed to simplify the whole family's day-to-day experience.

ITINEO pays special attention to detail when devising its motorhome models, endowing them with innovative interior designs to make sure every moment inside is enjoyable, thanks to the many storage options suitable for any purpose and the spaces allotted for children to give free rein to their imaginations, not to mention the choice of high-quality modern, durable materials capable of standing the tests of time and daily usage.

ITINEO stands for guaranteed design and production quality, stemming from the expertise of the RAPIDO Group.

**WITH ITINEO,
LIFE ON BOARD
HAS ALL THE
ROOM IT NEEDS,
AS SIMPLY AS
CAN BE.**

PHILOSOPHY

INSPIRED BY ELEGANCE
AND LIGHTNESS,
THE NEW ITINEO 2022
COLLECTION SPORTS A
REMARKABLE EXTERIOR
DESIGN, WITH MORE
PRONOUNCED SHAPES
COMBINED WITH SMOOTH,
SIMPLE LINES
MAKING THE OPEN ROAD
EVEN MORE OF A DELIGHT.

The new TRAVELLER and NOMAD series features an all-new front design with an original grille that stands out for its streamlined forms which imbue it with even more character and individuality. Simplicity reigns at the rear, with a new panel and new tail lights with sharp curves creating an elegant look.

The new hood on the COSY low-profile models has also been redesigned, inspired by the world of cars, jazzing up the lines of the 2022 Collection. The simple, light décor creates a high-end feel and a refined aesthetic.

In addition to the contractual 2-year warranty for your vehicle and the manufacturers' warranties on original accessories installed during assembly, you will also enjoy a 5-year warranty on furniture frames and watertightness when you have your vehicle moisture-checked annually during the four years after it was first registered. The warranties covering all accessories installed at the dealership are provided by the original manufacturers under their terms and conditions, through the dealer. The chassis warranty is provided by the chassis manufacturer.

The cost of transport for a warranty is borne by the customer. Motorhomes, campervans and vans are designed for leisure use. Under no circumstances are they intended to be used as permanent homes.

Some models presented in this catalogue may be shown with optional equipment. Actual products may differ from images. Stylistic elements, décor and accessories not included. Since a portion of ITINEO's production is intended for export, the characteristics of the photographed models may vary from one country to another. For precise details on the retailed models available to you, please contact your dealer. ITINEO reserves the right to make modifications to its models without notice. Despite the care taken in the production of this catalogue, it cannot be taken as a contractual document. Your dealer will be happy to give you any further information you may require.

RIGHT HAND DRIVE SPECIAL PACK*

With ITINEO make sure you won't miss a thing

Especially for our customers in UK, Ireland and New Zealand we have created the most comprehensive equipment level ever, and combined it all into a new "Right Hand Drive special" pack*.

It contains options improving your driving safety, as well as a great number of elements enhancing design and everyday comfort – we want to make sure that you really feel at home in your ITINEO!

ITINEO motorhomes of the 2022 collection based on RHD chassis come with particularly complete equipment, including (depending on the model)*:

- Traction+ with Hill Descent Control
- Leather steering wheel and gear knob
- Folding table
- Truma Combi 6EH (gas + electric) with CP PLUS
- Oven
- 3 burner kitchen hob

See details per model in the technical guide. All mentioned options are included in the vehicle price for Right Hand Drive models. The weight of these options is detailed in the technical specifications, and not included in the GVW – it therefore must be deducted from the payload. Only available on A-Class models.
